

## SOUTHERN COUNTIES CHAMPIONSHIP SHOW 3<sup>RD</sup> AUGUST 2021

**VD (2)** 1 Ch Kelgrove Just Blue At Stormhead. 10 year old blue. Lovely size and still in great shape and form. Excellent wedge shaped head. Good muzzle and correctly placed stop. Ears well set. Pleasing eye shape. Reachy neck and excellent angles. Good sweep over croup and a low set tail. Excellent showman. Still totally sound on the move and true in all directions. Beautifully presented and handled. BVIB and topped the Pastoral Veteran Group. Well done! 2 Keltihope In The Frame At Yasleyrose. Attractive shaded sable. Similar to first for size. Pleasing head, dark, almond eye. Excellent ear set and carriage. Good overall conformation, not quite the reach of neck or lay of shoulder of first. Excellent bone and stands on tight, oval feet. Moved well. Good coat.

**PD (3)** 1 Stanydale Rewrite The Stars For Malaroc. Lovely b/m pup of 10 months. Liked his outline. Excellent head shape, well placed stop. Good eye shape giving the desired expression. Excellent ears, used to advantage. Good neck. Moderate angles. Excellent body and short, strong loin. Moved very freely. Good colour and markings. Looked a cracking pair when challenging the bitch pup for BP. 2 Blenmerrow Mazurka. Sable pup also 10 months but not as confident as first. Liked his overall outline, size and type. Good head proportions but could have a bit more underjaw. Well placed, dark, almond eye. Good reach of neck. Nicely angled front and back. Excellent tail set and carriage. Moved well once settled. 3 Frecia Lock Down Wonder At Santiara.

**JD (2)** 1 Mohesee Mr Bobbie Black. As his name suggests, a tri. Well balanced youngster. Head coming along well, shapely and full of breed type. Moderate neck and angles. Well bodied. Excellent coat for colour, texture and presentation. Moved with drive, confidence and a low carried tail. 2 Frecia Lock Down Wonder At Santiara. Up to size pup, masculine outlook but not overdone. Pleasing enough in head and expression. Uses his ears to best advantage. Very well made and good colour. Sound and true mover, but can settle a touch coming towards.

**YD (2)** 1 Hamblrose Black Diamond. Good looking tri. Typical head shape, flat skull with a well placed stop. Liked his moulded muzzle with good underjaw. Ears well set. Excellent reach of neck leading to a well laid shoulder and return of upperarm. Can still develop further in depth of chest but time is on his side. Pleasing enough proportions. Moved well. Lovely coat, good deep black with rich tan.

**ND (2)** 1 M Mr Bobbie Black. 2 Frecia Lock Down Wonder At Santiara.

**GD (5)** 1 Aventurine Bohemia Classic Joins Oakcroft. Appealing sable. Good length and shape of head. Moderate stop, well placed. Excellent eye. A bit reluctant to use his ears but they are of nice size and well set. Ok in neck. Moderate angles. Firm body and topline with a short, strong loin. Excellent sweep over croup. Low tail set and carriage. Moved with reach and drive. In full, double coat. 2 Felthorn Cover Story. Tri. Close-up, liked his size and typical outlook. Excellent head piece. Good neck. Excellent front angles, balanced with his rear. Good bone and stands on tight, oval feet. Just needs a bit more body to complete the picture. Good coat, colour and fits his body. Moved soundly in all directions. 3 Shadowway Chance Encounter.

**PGD (1)** 1 Mitchfields Dizzee Rascal At Stanydale. Standing alone but a promising youngster. Still to mature fully but I appreciated his workmanlike outlook. Lovely head piece. Uses his ears at all times to enhance his expression. Good conformation and in lovely coat, colour (probably one of the best silvery blues here) and in hard, muscular condition. Moved out well with a low carried tail.

**LD (7)** 1 Solyric Inaugural Gold. Beautiful sable. Refined but masculine and a nice size. Super wedge head, flat skull and a moderate, well placed stop. Excellent dark, almond eye. Well set, tipped ears. Enough reach of neck. Good layback of shoulder. Deep chest. Shapely outline. Mature body. Well angled rear leading to the soundest of hocks. Excellent tail set and carriage. Beautiful coat for texture, density and presentation but still functional. Moved with enough reach and covers the ground with ease. Pleased to award him the Res CC. 2 Lorainian Kings Ransom At Lindfern. Super headed dog. Typical eye shape, colour and expression. Excellent ear carriage. Good to go over on the table. Mature in body and in lovely coat. Just a bit narrow coming towards, but excellent side gait and moves with enough drive at the rear. Confident showman. In full, double coat. 3 Jacanshe Be Our Guest At Santiara.

**OD (6)** 1 Ch Lianbray Lothario. Sharing the same sire as the Res CC winner and shares many of his attributes. Bang-on for size. Excellent wedge shaped head. Flat skull, good underjaw and

excellent eye shape giving typical expression. Good ear shape, set and correctly tipped. Reachy neck. Deep chest. Well laid shoulder and upperarm which was of good length. Strong body and firm topline. Excellent quarters. Moved with plenty of reach and drive. Low set tail. Good bone and stands on functional feet. A bit unsettled at times and reluctant to use his ears, but couldn't be denied on his overall attributes and excellent breed type. Immaculate coat. Made a worthy CC winner. 2 Ch Lindfern Light Sabre. Another worthy Ch. Slightly larger overall than first. Appeals greatly in head, eye and sweetest of expression. Deep, roomy chest. Moderate angles front and back. Mature and looks the part on the stack. Moved well enough, just not as free-flowing as those above him today. Good coat. 3 Lavika Lush Life.

**SBD/B (3)** 1 Valdosta Dare To Dream Of Savendie. Beautifully coloured and marked b/m bitch. Ideal size and proportions. Feminine, shapely head. Excellent eye shape and high set, tipped ears. Good angulation. Firm topline and good body. Excellent sweep over croup. Sound mover and confident showgirl. Well presented, double coat. Topped the Pastoral Sp. Beginners Group. Congratulations! 2 Frecia Golden Times. Slightly larger sable bitch but still feminine in outlook. Not quite as pleasing in head properties being a touch deep in stop. Good to go over on the table and, once she settled, moved out well with good tail carriage.

**VB (3)** 1 Kelgrove Kinda Magic At Hamblerose. 8 year old tri. Very feminine for size and outlook. Pleasing enough in head and eye and she uses her ears well. Good reach and arch of neck leading to a well angled front. Good depth all through and holds her outline well. Strong, muscular quaters. Nicely boned and stands on tight feet. Moved with plenty of freedom, covering the ground well. Good double coat of an even colour. 2 Shadoway Perchance To Dream. Super sable bitch in great condition at 10 years. Credit to her owner. Beautiful head and sweetest expression. Excellent tipped ears. Well made all through. Moved ok, just not with the fluidity of first.

**MPB (2)** 1 Fernfarm Summer Romance. Pretty 8 month old sable. Daughter of Dog CC winner today and shares his lovely head type. Still very much a baby but shows promise and gave a good account of herself. Lovely outline with good body and coat for her age. Happy, confident mover.

**PB (5)** Good class of quality youngsters. 1 Lavika Lucid Dreams. Res CC and BPIB. 2 Lizmark Lullaby Moon Over Mohnesse. Hardest decision of the day splitting these two beautiful blue babies. Both show so much potential and will no doubt change places many times during their careers. Excellent heads, good eye shapes and both using their ears to best advantage. Both are very well made with sound conformation, feminine and of excellent breed type. They are a very nice colour with well broken markings and in good coat for their age. Both showed their socks off for their handlers, moving out well. On the day, Lullaby Moon scored on coat and maturity but just preferred Lucid Dreams front action on the move, but a tough call. Good luck with them, I am sure they will both carry their titles in the future. 3 Dukeson Laced With Magic.

**JB (4)** 1 Molson Miss Congeniality For Stormraven. Very mature sable approaching a year old. Typical outline with excellent height to length proportions. Super head piece. Excellent ear set and carriage. Plenty of neck. Good front and rear angles. Firm topline. Lovely sweep over croup. In excellent coat and condition. Moved very well from all directions. Another youngster with a promising future. Good for the breed to have such quality coming up. 2 D Laced With M. Pretty 11 month old sable. No disgrace to stand behind those above her today. Excellent breed type. Lovely size and femininity. Nice head, dark eye of good shape. Good conformation but can firm up a bit in topline and on the move. Good coat. 3 Blenmerrow Ring Of Roses.

**NB (5)** 1 L Lullaby Moon Over M. 2 D Laced With M. 3 Evad Golden Gem.

**GB (9)** 1 Mitchfield Cover Girl At Felthorn. Liked this tri for her overall size and functional. So well balanced all through. Good wedge shaped head. Nice eye and well set-on ears. Medium neck. Well laid shoulder and return of upperarm. Firm topline. Short loin. Well angled behind and stands on tight, oval feet. Moved true, covering the ground well. Litter sister to CC winner so the type obviously appealed. 2 Tighness The Tide Is High. Eyecatching and impressive outline on the stack. Beautifully coloured sable. Good head and eye giving the sweetest expression. Excels in reach and arch of neck. Firm, level topline. Good front and rear. Excellent coat and condition. Moved with style, sound and covers the ground well from side gait. 3 Shadoway Charlotte Rose.

**PGB (9)** 1 Philhope Summer Highlights At Sherkarl. Really pretty sable. Good wedge head, flat skull and correct stop, moderate and well placed. Super almond, dark eye giving a melting

expression. Excellent high set, tipped ears. Good neck leading to a soundly made front. Deep chest for her size. Good body and sweep over croup. Well angled rear. Strong hocks. Not overdone in coat. Moved with enough reach and drive and a low tail carriage. Well handled and presented. 2 Neraklee Naomi At Stanydale. Tri. Similar in size and outline to first. Appealing head and expression. Enough neck and angulation front and back. Excellent body and general maturity all through. Just preferred the tail set of 1st. Moved very well in all directions. Excellent coat for quality, colour and presentation. 3 Keltihope Wispa's Girl At Petara.

**LB (12)** Strong class. 1 Mitchfields Fashion Girl At Felthorn. Absolutely loved this b/m bitch. At 3 years she is just coming to full maturity and looked the part today. Excellent wedge head, flat skull, good muzzle and underjaw and almond eye shape, taken as a whole, gives off a typical outlook. Reachy neck. Good lay of shoulder with good length and lay of upper arm. Deep chest. Good body and firm topline. Muscular hindquarters. Quality bone and tight, functional feet. An overall workmanlike appearance but still has refinement with a touch of elegance. Just right for coat, fitted her body well and of a good colour and markings. Showed plenty of reach and drive on the move with a low carried tail. For me, she was the complete package and was pleased to award her the CC & BOB, her second, best of luck for her title. 2 Lavika Spring Queen. Lovely tri. Slightly rangier in outline than first. Pretty head with a good eye and expression. Well used, tipped ears. Good reach and arch of neck and a well angled front. Firm, muscular body. Strong quarters. Good bone and feet. In lovely coat and condition. Moved with plenty of freedom, covering the ground with ease and securing her place in this good class. 3 Esterbon Three Kisses For Tighness.

**OB (5)** 1 Lavika Black Beauty. Another excellent bitch from this kennel. Good head shape, flat skull, correctly placed, moderate stop. Well proportioned all through. Would prefer a better eye shape which would sweeten her expression. Excellent conformation and movement. In lovely coat and condition. Well handled to bring out her best. Deserves to carry her title. 2 Mohnesse Millybelle. Liked this bitch in the past and still rate her highly. Pretty sable of super breed type, size and femininity. Copybook head, eye and expression. Uses her ears to best advantage. So good to go over on the table. Moved very well in all directions, driving off the soundest of hocks, just preferred the reach of first. Excellent coat and presentation. Attentive to handler. Pushed all the way for the class. 3 Shelridge Shantilly Lace At Lianbray. Completed a trio of good bitches.
