

BLACKPOOL CH SHOW, 24/07/16 - Shetland Sheepdogs

Shetland Sheepdogs

PD (3) 1 Fisher's Shellamoyed Simply The Best, I liked both 1 & 2 placed sable puppies for their breed type & size at this age. Both have got very well formed heads & correctly placed dark eyes. Very typical movement coming & going for both these boys. 1 scored with his better ear carriage; 2 Haensel's Sherkarl Uptown Funk; 3 Botham's Balidorn Soloman. **JD** (2) 1 Walker's Marsula Shogun, nice tri, with good tan markings, good head, dark eyes with good expression, I would prefer slightly flatter cheeks, correct outline & well presented coat; 2 Dixon's Tachnamadra Toffee Apple, 14 months sable boy, appealing temperament, I would prefer a slightly larger eye & a better earset & carriage, moved well, nicely presented. **YD** (4,1a) 1 T Toffee Apple; 2 Spence's Spencerian Mr Starrdust, good outline, presented in good condition, good head shape, I would prefer a little more almond shaped eye & a better earset & carriage, moved OK; 3 Holmes & Holmes-Chadwick's Oakcroft Royal Recital at Dendor. **PGD** (8) 1 Saunders' Chalmoor Shades Of Gold at Fernfrey, I really liked this boy for his overall outline, presented in perfect show condition, very nice head shape, lovely eye set & shape, very good ear carriage, both together giving him a sweet expression, nice firm body & straight front, correct topline & good hindquarters, both of which he used well to move around the ring; 2 Mottram's Midday Sun at Lochkaren, slightly out of coat today but of very nice type with a very appealing head shape & nice expression, correct body & very nice mover; 3 Tinker's Hillhenry Winter Storm over Riggsbeck. **LD** (2) 1 Hogg's Chalmoor The Astronaut, very well presented, bigger type with a stronger head to match his size. Good expression, very good stop & flat skull, very nice neck & straight front, excellent body & correct topline, moved really well; 2 Bladon's Puncknowle Golden Sunlight at Kiemont, very nice coat & body condition, I preferred the little less stop & the darker eyes on 1. Moved OK. **OD** (5,2) 1 Haensel's Lorainian Mr Bojangles at Sherkarl, I have judged & like this boy before, he is of a nice type with a very sweet expression, correct eye shape & placement, very nice earset & carriage, good neck going over into very good shoulders, good topline & strong hindquarters, moved very well coming & going. RBD; 2 Walker's Dippersmoor Star Gazer by Tooralie, unlucky to meet 1, very likeable boy of correct shape & size, really liked the way he moved around the ring; 3 Brady's Ch Francehill Two Tone. **VD** (3,1) 1 Stafford's Ch Rannerdale Buggy Malone, absolutely loved everything about this boy, he was presented in perfect show & coat condition, beautiful dark eyes of correct shape & placement giving him the sweetest expression, which one could wish for, correct outline with a nice neck going into very well angulated shoulders, firm body & correct topline, strong hindquarters, which he used to move around the ring in an effortless manner, not worried about the strong wind at all. BD, I loved him & would have dearly wanted to give him BOB but he did get too tired by the time the BOB challenge was judged & had lost part of his attitude by then; 2 Holmes & Chadwick-Holmes' Oakcroft The Charmer at Dendor, good type & outline, a little too heavy in head for me, very nice coat condition, moved OK.

PB (12,3) 1 Clegram & Berry's Smiddyshaw I'll B There For U, what a little cracker this one! So full of attitude & charm, not worried about the inclement weather at all, just happy to be there & strut her stuff. Very appealing head shape with correct eye & earset, nice dark eyes, lovely outline, correct angles front & rear, moved so very well at all times, a very promising youngster indeed. BP; 2 Sorockyj & Haine's Padawan All Too Easy, smaller type but all in proportion, liked her outline & overall make & shape, moved very well; 3 Gamble's Balidorn Solitude. **JB** (8,4) 1 Fisher's Shellamoyed Babycham, presented in such excellent show & coat condition could not be denied this first place in a very good class. Really liked her dark eyes, which are set correctly, giving her a lovely sweet expression, very nice neck, straight front & good body on one that young, such a typical & sound mover; 2 Mottram's Lundecock's That's My Girl at Lochkaren, another lovely typy girl, presented in very nice condition as always from this owner. Really liked her head & expression, good neck & front, correct hindquarters, moved really well; 3 Jackson's Keycharm Artic Queen with Gordil. **YB** (4) 1 Saunders' Chalmoor I'm A Peach, nice overall

outline with correct angles front & rear, dark but slightly larger eyes than I like but still a good expression, enough neck going into good shoulders, good topline & good hindquarters, excellent coat condition, very nice mover; 2 Ritchie's Jaelis Mystique Reflection, pretty girl this one, just not as confident today as one would like, moved really well coming & going; 3 Haensel's Jontygray Midas Touch for Sherkarl. **PGB** (8,1) Difficult class this one as it was full of different types. 1 Parker's Tolarock Such A Treat; 2 Jackson's Gordil Good Time Girl, 1 & 2 similar in type not only because both are tri, I preferred the eyes in colour & size & the movement on the 1 placed girl; 3 Major's Mistyisle Simoncelli's Star. **LB** (4,3) 1 Barrowclough's Milesend Musical Lady, at 7 years of age still a very nice mover, slightly out of coat today but really liked her head in shape & expression. **OB** (6) 1 Smith's Bramblecroft Esmie, very feminine 2 years girl with the most appealing expression, really liked her head shape, her eyes for size, set & colour, correct ears in placement & carriage, good stop & nice flat skull, lovely neck going into correct shoulders, nice deep brisket & correct topline, very well angulated behind, presented in perfect body & coat condition & moved at a correct speed; moved out with attitude & perfectly straight coming & going with a good drive from behind. **BB** & **BOB**; 2 Stafford's Ch Rannerdale Queen Of Hearts, another very nice girl, with lots to like about, very good head, just preferred the eyes on 1 & felt that her ear carriage wasn't as good in the wind today than one would like, still a very worthy Ch; 3 Parker's Tolarock Ice Ice Babe. **VB** (5,1) 1 Stafford's Ch Rannerdale Star O' The North, this breeder exhibitor really needs to be congratulated on the perfect condition all her dogs & especially her veterans are. Another very feminine girl, who showed her socks off for her owner, very nice head with sweet expression, well placed & carried ears, good neck & straight front, deep brisket, correct topline & sound hindquarters, moved very well; 2 Spence's Elvestemple Starry Night for Spencerian, very pretty tri girl with lots to like about, just very unlucky to meet first in this class. Excellent mover; 3 Ritchie's Jaelis Mystique Gemstone.
