## Shetland Sheepdogs

Firstly may I offer many thanks to the committee, the stewards who kept on efficient ring for me & the exhibitors who brought along some very nice dogs. It was not a very good day for travelling especially those coming down the M6 & up the A14. I was really pleased with my entry & appreciate those who braved the weather.

**PD** 1 Walker's Marsula Shogun, 11 months tri. Proportionate head with good almond eye & ear carriage. Quite compact in construction & a good outline. Moved well & stood well in the ring. I will watch this dog with some interest. **BP**; 2 Fuller's Jacanshe Crème Liquer, 9 months shaded/s. Slightly bigger in the head than 1 but moved well & has good developing construction. Should develop into a very nice dog; 3 Forster-Cooper's Sheltysham Burnished Gold. **JD** 1 Tinker's Hillhenry Winter Storm, 13 months b/m. Good size & showing good maturity. Masculine head & expression. Good shoulder & angulation. Good sound construction & outline. Moved well; 2 Woodward's Sanbrakel Shadow Dream, 13 months s/w. Like 1 showing good size & maturity. Nice head, sound construction & displayed a good outline. Very close between the two dogs; 3 Hoare's Briggsview Gambling Man. **PGD** 1 Fransham's Jontygray Gilt Edged for Franmead, 2½ years s/w. Good masculine head & ear carriage all in good proportion. Good sound construction & angulation giving good movement. A serious challenger for BD & thoroughly deserved RBD; 2 Mottram's Midday Sun at Lochkaren, 18 months s/w. Nice head & expression. Nice almond shaped eye & neat ear carriage. Good construction & moved well. A really nice boy. Very challenging class, both dogs can be placed in either position; 3 Hoare's Briggsview Gambling Man. **OD** 1 Haensel's Lorainian Mr Bojangles at Sherkarl, 4 years s/w. Nice expression with nice shaped almond eye & good ear carriage. Sound construction with good angulation. Moved well around the ring with good reach & maintained a good topline & showing great maturity. **BD**, **BOB**; 2 Walker's Dippersmoor Star Gazer by Tooralie, 4 years sable. The first noticeable thing about this dog is its colour. A deep red, not often seen. A nice masculine proportionate head with good eye & ear carriage. Sound construction, good angulation & good movement; 3 Rutterford's Evad Whougonnacall at Stormhead.

**PB** 1 Parkes' Milesend Sweet Whispers, 7 months s/w. Nice proportionate head, almond eye & ear carriage. Very nice sweet expression. Promising construction. Moved well & has a good outline for her age. Should develop into a nice dog; 2 Ambler's Watchwod Sweetheart, 6 months b/m. This show being her first outing. Nice head, almond eye, ear carriage & sweet expression. Promising construction & already showing a nice outline & moved well around the ring. Both of these puppies should have a promising show career; 3 Mottram's Lundecock's That's My Girl at Lochkaren. **JB** 1 Deveson's Janetstown Je Suis, 15 months s/w. Nice head & expression. Good ear carriage & almond eye. Good angulation & construction. Maintained a good outline when on the move; 2 Haensel's Jontygray Midas Touch for Sherkarl., 13 months s/w. Just out of the puppy stage but developing quite nicely. Nice proportionate head, almond eye & ear carriage. A good reach of neck. Sound construction & moved well; 3 Saunders' Chalmoor I'm A Peach. **PGB** 1 Mottram's Anastasia Dreamer at Lochkaren, 18 months s/w. A nice proportionate head with correct eye & ear. Good shoulder & angulation. Very sound construction. Moved well. Put on a very close challenge for **BOB**. **BB**; 2 French's Lindfern Bee Enchanted, 2 years s/w. Nice head, eye & expression. Good angulation & sound construction. Moved well around the ring giving a pleasing outline. I liked both of these bitches & it really was splitting hairs to place them.
