DOGS: VD (4) 1 Goodwins, CH. Highbrook Hot Heir Mahogany sable in the peak of condition ideal size, Classic in outlook, clean head, well placed ears using them well his movement was so sound both in front and behind made use of the ring which was a delight to see. Making a name for himself as a top sire which is not surprising with his illustrious pedigree, a credit to his owners. 2 Rowans, Ch. Degallo the Vindicator at Rowancrest another Handsome boy who is also a mahogany sable carrying a wealth of coat, he is dog who excels in outline using his crested neck to show himself in a natural pose, refined head with sweet eye. Small sensitive ears, another moving out well. 3 Ch. Kelgrove Just Blue at Stormhead.

MPD (2) 1 Hill's Molson Milky Bar Kid almost 9mths pale g/s who takes the eye, good coat, He has a very nice head for a minor puppy refined with ears on top, well placed eye with a sweet expression, Good body lines, straight front and good hindquarters moved well one who will no doubt be heard of again. 2 Withers Mitchfields Dizzy Rascal at Stanydale merle of a similar age to 1, not quite as forward He is just a little heavily marked, which may clear as he matures, at the moment he needs more time, and I would prefer him to improve in front movement.

PD (2) 1 Staffords Rannerdale Showmaster quite a stunning puppy, with a superb outline, almost a year old he appeals for is overall Stature, bright g/s with the typical Rannerdale outlook, with a most lovely head, eye and expression, good stop & ears, he could perhaps flatten a little more in skull but this is only a minor detail, as he is quite lovely overall, good hindquarters and movement. Best Puppy in breed. 2 Wooley's Jourdorill Moment in Time at Valjon, Glamorous boy with full white collar, a month or so younger than above, he did not quite match the winner in front movement and he was at a slight disadvantage to meet such a stunning puppy above him, time is on his side.

J (3) 1 Miles Keycharm Gold standard at Milesend attractive pale g/s only just out of puppy. appeals for his lovely head and eye, and presents a good overall profile, needs a little more time to flatten completely in skull but he excels in muzzle with rounded foreface, correct lip line rather racy in outline which will prove to be quite elegant as he matures and fills out in rib, nice young boy just a little unsettled in movement. 2 Rutherford's Kelgrove Midsummer Blue at Stormhead. 3 Walkers Tooralie's Ocho Rios.

Y (3) 1 Goodwins Highbrook Hobnob, well known winner, he is certainly an eye catcher, super overall stance bright g/s he has good body and bone excellent spring of rib, good front and turn of stifle, stepped out in style, he has a lovely head with moulded foreface, super eye and expression and he also possesses the most perfect ears, reminiscent of Ch Antoc Sealodge Spotlight perfectly placed on top, he is full of personality ,a definite showman. 2 Lewis's Donmarvic the Saracen. 3 Lee's Willowthorn's Trushka.

PG (3) 1 Hill's Molson Mr Blue Sky a different coloured male entered from this kennel, this time a quality blue merle exhibit, with close small merle markings, nice size, shown in good coat, shorter throughout than his kennel mates, but in balance, nice head, good eye and expression good bone and outline. 2 Tinker's Hillhenry Winter Storm over Riggsbeck upstanding blue merle of good colour carrying a huge coat, a dog I have judged previously. presents a good overall profile and showing himself well, he is definitely up to size, but his head is in balance, unfortunately today he appeared to be limping.

L (10) 1 Robinsons, Lavika Lush life most lovely sable presented to perfection never put a foot wrong handled on a loose lead where he presented a lovely profile, good body lines with sloping croup good coat and profuse petticoats, lovely clean head, correct stop well placed ears and sweet eye & expression moved well, at two and half is now coming into his own, but a very strong Open class prevented this, no doubt will continue to compete for top honours on another day. 2 Forster Parish's Milesend Blue Raider at Lowick this boy certainly took my eye, his blue colour is outstanding & quite captivated me, he is perhaps one of the most noticeable blue's I have seen for some time, he was shown in full coat which was beautifully groomed he had good depth of rib and excellent hindquarters,

he is in his prime, plus his balanced head has all the attributes. I was torn between these two lovely shelties, as they were both of equal merit, it was only the slightly more attentive stance of 1 that took the class. 3 Goodwins Highbrook He's Got Style.

O (11,1) no less than eight Champions in this class, so I had quite a choice. 1 Staffords Ch Rannerdale The Entertainer Red sable who appealed immediately for the most for his stunning overall outlook, his head eye & expression is what the standard calls for, he is very masculine Good depth and spring of rib over well angulated hindquarters, he moved with reaching stride in profile, and gave of his best in the ring, a worthy Champion winning the class over some super dogs, I was pleased to award him the CC over some beautiful shelties. 2 Hill's Ch & Aust Ch. Hartly How About Me for Molson this pale g.s. is a most elegant dog, he is on the racy lines and he is carrying a wealth of coat, excellent neck and shoulder, refined head with correct stop, well placed eye and neat ears and is an impressive showman. When asked to move this is where he excels, as he strides out and really moves with little effort with exceptionally lithe movement Res CC. 3 Castello's GB & Ir Ch Edglonian Blue fortune.

SP B (4,1) Dixons Tachnamadra Toffee Apple s/w with close fitting coat. Nice head eye & expression, nice head pattern with correct stop, lovely eye and expression and good ears, nicely presented. GC (4) 1 French's Lindfern Light Sabre, to turn round and see this lovely young dog was quite a surprise, 22mnths and a shorter coupled youngster, I found him quite beautiful, his head is very nice to handle, with moulded foreface, good stop, well filled skull, lovely sweet eye and expression, and neat well placed ears, has a good turn of stifle and short hock, and he is in correct balance, I seriously considered him for the res CC as he had instant appeal, while he moved adequately, he could not match the movement of the Champion. It would be interesting to see him again in the future as he has great potential. 2 Tachnamadra Toffee Apple. 3 Jontygray Gilt edge for Franmead.

Another blue merle lighter in colour, not as well developed in body as 1. She took time to settle herself, she has time on her side, and should mature well. 3 Neraklee Naomi at Stanydale.

OB (10,1) 1 Jones & Blackburns Lavika Lucky Me a most beautiful shaded sable who took my eye immediately, handled without a lead standing alone four square, showing her superb profile in the sunshine presented a glorious picture, she is an elegant bitch without any glamorous markings which does not detract in the least, in fact it presents a copy book profile, she had a beautifully groomed coat which showed off her superb neck and shoulder, level backline, strong hindquarters nicely sloping croup & her head is finished with parallel planes, rounded foreface, correct stop, well filled flat skull and ears which she uses contributing to her exquisite outline, showing herself with all the panache of first class example of the breed, moved well she is now in her prime and can compete with the best, handled to every advantage Reserve CC. 2 Staffords Ch Rannerdale Queen of the North glamorous golden sable with a huge white collar which enhances her overall outlook, attractive outline, and she excels in movement which is a great asset she has good bone and neat feet and excellent hindquarters, good body lines, with reach of neck which she can use, finished head, well placed ears and shows herself well. 3 Rowans Ch Rowancrest Blue Champagne.
