

## English Shetland Sheepdog Club - Summer Open Show 17/06/2017

I would like to thank the ESSC Committee for inviting me to judge at this show, and for the warm welcome I received. The committee members worked hard all day in excessive heat to make the day memorable for myself and I'm sure the exhibitors felt the same. It was such a pleasure to have been given the opportunity to go over a good quality entry of shelties on the day and I was not disappointed. I wish to thank my two stewards Monet and Stewart who were very efficient in keeping the show flowing throughout the day. The venue was excellent and the outside ring was in perfect condition.
