

LEEDS CHAMPIONSHIP DOG SHOW 22ND JULY 2022

Thank you Secretary Liz Stannard and her committee for making me feel so welcome and for looking after me so well. Very much appreciated. Thank you to my 2 Stewards and lastly to those who entered under me on my first CC appointment in Shetland Sheepdogs, I had a lovely entry of 77. On the whole mouths were correct but I found a number of very dirty teeth especially in the younger dogs. Ear sets could be better in some with a number set too wide apart. Some had a small eye which does not give the correct sweet expression for the breed. Eye colour was good. Some had snipey muzzles which should be nicely rounded not pointy. Some had stuffy necks and I found a number with no rise over the loin which is a distinct characteristic of the breed. They should not have a level topline. I found quite a number of short tails and they flew like flags when moving around the ring. Movement on the whole was acceptable although there were a number knitting in front and too close behind. Coats were good most were in full coat considering it was July and very hot. I was very happy with my overall winners on the day. My BPIB taking 3rd in the Puppy Group and my BV taking 4th in the Veteran Group.
