

MANCHESTER CHAMPIONSHIP DOG SHOW 18TH JANUARY 2025

MPD (8) 1 Forbes' Degallo The Prodigy an 8-month-old sable who is well boned and well grown and has a super profile appearance. He has a balanced outline and looks the more mature and has the better general appearance of this class. Very attractive head, dark nicely shaped eyes, responsive ears and alert in expression. True, nicely boned front with balanced angulations front and rear. The steadier Puppy mover today. Best Puppy in Breed. 2 Hill's Moving On Up To Molson a 7-month-old smart sable who has an attractive head and attentive expression. He has satisfactory bone and body with pleasing conformation all through. Impressive, well-defined standing side profile. One with a very promising future. Moved with a free, purposeful action and was more settled in front than 3rd. 3 Bywater's Tachnamadra Royal Salute

PD (10,1) 1 Rossiters Cocaro The Highlander an 11-month-old rich sable youngster who is attractive in appearance with quality in breed characteristics, coat and conformation. Attractive, well-shaped head enhanced by an alert expression. He is well made all through and is balanced and has satisfying body proportions. Presents a breed typical picture. Moved well and true, the better mover of this class. 2 Maone's Di' Leila's Sheltie (fci)amore Mio a 9-month-old b/m very promising young male who was well coated. He has pleasing bone and body. Smart, attractive head, dark eyes and nice sized responsive ears which together with his body shape and proportions presents a very attractive appearance. A little unsettled which affected his movement. 3 Winfield's V Iskander Bohemia Classic For Oakcroft (Cze Imp)

JD (5,1) 1 Dillons' Lundecocks Tempest In A Pot At Runforest (Imp Swe) an attractive 9-month-old smart sable youngster who has a look of real quality. In good coat and condition. He is very promising. Attractive head with an alert expression and responsive, well-set ears. Still a Puppy in a Junior class but he has confidence and showed himself to advantage. He has a pleasing front and forequarters with proportional width and parallel nicely boned legs front and rear. In commendable coat and condition with low set of tail. Purposeful sound movement which edged his placing. 2 Folkes' Navy Blue Of Most Majestic At Dacfolke (Imp) a well-coated 13-month-old b/m male who has pleasing bone, body, proportions and balance presenting a very attractive profile shape. Refined in head all in proportion to the rest of him. Well-made front, body and hindquarters. Free and positive on the move although a little unsettled in rear action. 3 Foy & Hawkins' Beldones Just A Hunch

YD (7,1) 1 Parker;s Edglonian Prime Target With Tolarock a 22-month-old attractive shaded sable male who has an refined, masculine head with an alert expression and nicely set, responsive ears. True front, well made in body and moderate angled hindquarters. Firm of stance which with his overall balanced side profile presents a very breed typical picture. Moved with a positive and true action. 2 Norris' Ferngroves Skywalker Jw a very smart junior male of pleasing size and overall shape. Presented in good coat and condition. Refined in head which is of pleasing shape and of proportional size. True, nicely boned front, well-made body and good width stable angled hindquarters, Free and easy movement with particularly good front action. 3 Stafford's Rannerdale Mister Majic

PGD (8) 1 Pott's Shadowess Jubilee Prince a 2½-year-old shaded sable who impressed with his well-proportioned balanced side profile; in excellent coat and condition. Smart head with a very alert expression and good-sized responsive ears. True in front and of pleasing overall shape and size. Striking appearance and overall make and shape. Moved well and the better of this class. 2 Robertson's Afterglow Goldberg At Vidlinvoe JW a nearly 3-year-old rich, dark shaded sable who has an attractive head which is refined and of pleasing proportion. He has a good length well-shaped neck enabling a noble head carriage. True front with good fill-in and width across the chest. Firm body, Balanced in angulation front and rear. Moved positively with a free and easy action but not as precise as 1st. 3 Forbes' Degallo The Prodigy

LD (8,1) 1 Norris Ferngrove's Valentino JW a handsome nearly 3-year-old impressive looking sable male who has a very smart, clean head of desirable proportions and has an alert expression. Head set correctly onto a good length nicely arched neck. True front, pleasing forequarters, tight elbows, well-made body and hindquarters. True and positive on the move. Better mover of the class. Close

up to top winners today. 2 Mitchell's Valdosta Gracelands Jw a 2½-year-old of similar appearance to 1st. Presented in notable coat and condition. Another having a handsome head set well on a good length neck. Pleasing front and overall body conformation with nicely angled hindquarters. He has desirable overall shape, proportions and balance presenting a very satisfying breed typical appearance. Free moving with pleasing side gait but close hocked rear action. 3 Proctor's Cuilshelties Lochan Torr

OD (8) 1 Pearson's Ch Edglonian Golden Graham an impressive quality 4½-year-old mature sable male who was presented in excellent coat and condition. Ideal size and shape and striking in appearance being perfectly balanced in outline and proportions of body. Handsome head which has clean lines ideal shape and overall proportions, being refined and breed typical in appearance. Satisfyingly made in front, body and hindquarters. Moved with a true purposeful enduring action. My Dog CC winner. 2 Robinson's Ch Lavika Deep Blue Ocean a striking 4½-year-old B/M in excellent coat and condition. Handsome head, attentive expression, strong good length neck, soundly made in front, well developed body and broad, well angled hindquarters. He has an eye-catching appearance being so well proportioned and balanced. Moved with a steady free action. Close up to 1st. My Reserve Dog CC Winner. 3 Robinson's Ch Lavika Moonlight Storm JW VD (1) 1 Gamble's Solrylic Inaugural Gold JW OSW a 7½-year old sable who is commendable coat and condition. Pleasing in general appearance and has a masculine, breed typical shaped head and is attentive and alert in expression with responsive ears. Well-made front and forequarters and mature in body. Moved purposefully although a bit unsettled in front and close behind.

SBD (1) 1 Ruhmannseder Savendie Seasmoke a 6-month-old B/M youngster who has desirable bone and body for age. Attractive head and overall appearance. Very much a puppy but he has all the basic structure providing great promise for future maturity. Moved with a free, easy and confident action. Best Special Beginners.

MPB (9) 1 Rennison's Karamel Kiss Ze Shetlandu (Cze Imp) NAF a very attractive 7-month-old sable who has quality in breed characteristics and pleasing conformation. She has a desirable structure foundation needed for her to grow into quality adult. She is refined and feminine in head and is well-made in front, pleasing in bone and body and has firm angulation of hindquarters. The better mover of this class. Very promising. 2 Fisher's Foxstones Story Of My Life For Shellamoyed another very promising 7-month-old sable youngster who is in the early stage of puppy coat. She has pleasing bone and body. Pretty head, dark eyes and small responsive ears. Attractive body outline and proportions giving her a very eye-catching appearance. A free steady mover. 3 Raaff's Stormraven Shadoswift

PB (6) 1 Jacobs & Johnson Willowthorn's Roulette an attractive well coated 9-month-old sable bitch of very obvious quality. She is breed typical in shape and size and presents a beautiful picture. Attractive head and alert intelligent expression; she is ideal in length of neck and proportions and balance of body. She possesses lots of promise and all the necessities for development into a quality adult. More settled mover of this class. 2 Yaxley's Lavika Like A Lady a 10-month-old light shaded sable youngster who has a very attractive shapely appearance. Needs to gain in confidence to give of her best. She is well enough boned and bodied and breed typical in look. Beautiful head, eyes and expression and is of satisfying size, although not as settled which tended to affect her outline. Very promising. Moved freely but needing settle into her surroundings. 3 Folkes' Sherkarl Gold Fever Dacfolke

JB (8,3) 1 Pearson's Edglonian Apricot Lil a 15-month-old very attractive, breed typical sable who was in excellent coat and condition. She has breed qualities and promise so necessary in a top winner. I liked her head and she was alert and responsive in expression and ears. Stands confidently and shows herself off to advantage. Pleasing in front and fore chest with good width and parallel ideally boned legs front and rear. She impressed with her purposeful free movement. Better mover of this class. 2 Walker's Fortuna For Tooralie a 14-month-old very attractively marked young bitch and of overall pleasing shape and appearance which edged her this place in this class. Good to go over.

Breed typical, feminine head set on good length neck. Well boned and firm bodied. True front, pleasing overall proportions length/height with nicely let down hindquarters. Moved with an easy action once settled. 3 Rowan's Rowancrest Cinderella

YB (7) 1 Pearson's D Ch Edglonian Golden Glow a fabulous 20-month-old sable bitch who not only looked good but was impressive and commendable in conformation. Beautiful refined, feminine head carried correctly on a nicely arched good length, strong neck. Satisfying in size and ideal in shape and appearance. Sound in front, body and hindquarters. One that stood out and gave me 'goose bumps'; a super representative of the breed. My Bitch CC and Best of Breed Winner and later Pastoral Group 1 Winner. 2 Redpath's Pathaaron Fair Isle a refined 3-year-old shaded sable in pleasing coat and condition. She impressed in side profile and outline. Attractive shapely feminine head which has clean lines and is smart in appearance. Satisfying to go over and to note her true front, fore chest, tight elbows, body and rear construction. A purposeful, free and easy mover, more precise than 3rd. My Reserve Bitch CC Winner 3 Walker's Una Fortuna For Tooralie

PGB (9,1) 1 Robinson's Lavika Sunset Rose JW a 20-month-old good size, very feminine B/M in pleasing coat and condition. Beautiful head and expression being alert and interested in all about her. True, well-made front with desirable fore-chest, nicely developed body with spring of rib and ribbed well enough back, all together presenting an attractive symmetrical profile. Stands firm and true and she was the best mover of this class. 2 Rossiter's Molson More About Me At Cocaro a very attractive 2½-year-old sable of pleasing size and profile shape. Attractive and feminine in head with an alert expression, head carried proudly complementing her overall appearance. She stands so well naturally presenting a breed typical general appearance. Pleasing in look being balanced in side profile and all in proportion. Moved with confidence with a free and easy action which I preferred to 3rd. 3 Jackson's Ribans Starlet Of Milesend (JKC)

LB (14,3) 1 Rosskyn's Balidorn Golden Amber a mature 5-year-old thick, double coated sable who has a particularly attractive, refined feminine head. Lovely expression with alert and responsive ears. Striking in overall shape which is complemented with her noble head carriage both standing and moving. She is true and parallel in front and has good body development, proportions and length. She moved really well with an easy steady action. 2 Fisher's Shellamoyed Dark Secret a smart 2-year-old B/W who is attractive in appearance and who has a distinctive feminine, refined head and an alert expression. Pleasing dark correct shaped eyes and responsive ears both enhancing her expression. She has pleasing coat and overall profile shape similar to 1st. Moved well enough but not as settled in front as 1st. 3 Rossiter's Molson More About Me At Cocaro

OB (8,1) 1 Forbes' Degallo Blonde Ambition a mature looking 5-year-old sable presented in good coat and condition. One of pleasing size and shape. Attractive, feminine, breed typical head, dark eyes and neat ears presenting an alert expression. True well-made front and forequarters, tight elbows, firm bodied with pleasing spring and ribbed well enough back presenting a satisfying balanced profile. Strong and nicely angulated in hindquarters stands firm with parallel hocks. A free and the more precise mover of this class. 2 Rowan's Sonymer Illusive Gold At Rowancrest a 3-year-old rich sable who is in pleasing coat and condition. Particularly attractive head and expression. Similar in shape and stature to 1st and is notable in overall proportions and balance in angulations front and rear. She has a good-looking profile appearance. Well made in front, body and hindquarters. Pleasing in movement especially in side gait. 3 Welford's Ristine Emerald

VB (3) 1 Robinson's Ch Lavika Black Beauty JW VW an 8-year-old predominantly black mature bitch in commendable coat and condition which belies her age. Very smart well-defined profile and attractive overall shape with very notable conformation underneath. The whole picture is enhanced by her refined feminine head. True, finely boned front, well-made firm body with ideal spring of ribs and being well ribbed back. Moved well with a smooth even action. Best Veteran in Breed. 2 Redpath's Sonymer Storm Doris Into Pathaaron JW a 7½-year-old black/white workmanlike bitch of similar size and shape to 1st. Another who has an attractive head and attentive expression. Well-made in front, firm substance of body with pleasing balanced angulations front and rear. Free moving with particularly good front action. 3 Gamble's Balidorn Solitude At Solyric JW VW

SBB (4) 1 Diviney's Divinecroi's Bonny Ailbhe a 3-year-old feminine sable who has an attractive overall appearance. Notable feminine head of satisfying shape and proportions. Pleasing conformation of front, body and hindquarters. A little short of full coat which only helps to display her body proportions and balance. 2 O'Connell's Sionnachdu First Of Her Name a 6-month-old black/white very promising puppy. Giving much away in maturity to 1st. She has a very lovely, feminine head and expression. Pleasing bone and body. She moved with confidence with good front action. 3 Mettan-Ure Savendie Meleys
