

## Mid Western Shetland Sheepdog Club Open show 20th July 2024

Many thanks to the whole committee for the very warm welcome and food, we were well looked after, and thank you to my two very organised stewards and apologies for the WET loss of most of my notes due to torrential rain on way home and a large mud puddle, So my notes as you will see are a little scarce. SORRY. On the day my many thanks should also go to all exhibitors and their dogs.
