

BIRMINGHAM NAT CH SHOW, 06/05/17 - Shetland Sheepdogs

Shetland Sheepdogs

I was very pleased with the overall entry, but as breeders we must consider the overall expression as I feel there are too many dogs that lack under jaw showing their teeth & have big large round eyes, which detracts from the true Sheltie expression which I feel we are losing.

MPD (4,2a) 1 Isdale's Viewdale Cuddly Dudley, a heavily coated sable of very good type, well structured with good bone & straight front. Head is well proportioned with nicely placed eye & good ears. Moved & showed well; 2 Edwards' Castlerose Northern Soul, good coloured b/m, just coming into coat, of idea size, would like a little more depth in body.
