

## SCOTTISH KENNEL CLUB CHAMPIONSHIP SHOW 21<sup>ST</sup> MAY 2022

Two problems with this entry today, too many dogs being shown that are too short on the leg and long in the back, more cattle dogs, not sheepdogs, general lacking of sweetness of expression which is so typical for Shelties.

**MPD 2(0)** 1. Winfield's Lirren Quickstep to Oakcroft NAF TAF. Only 7 months, excellent type, size and with a well shaped eye, sweet temperament, sound moving, BP. 2. Mottram's Lundecock's Hoopie-Doo at Lochkaren (imp SWE). In better coat and with good temperament, thought too slack on pasterns and ears need to improve.

**PD 2(0)** 1. Mottram's Lundecock's Hoopie-Doo at Lochkaren (imp SWE). Repeat. 2. Jaworska's Shellamoyed Blue Aura. Good colour b/m and with good body condition, liked flat skull and filled foreface, not so positive on the move.

**JD 2(0)** 1. Proctor's Cuilshelties Lochan Torr. Racy outline and moving well, nice body and condition, would prefer a better shaped eye. 2. Saunders' Galateus Bohemier Classic at Torriglen NAF TAF (imp CZE). Excellent coat and colour, s/b, very well presented.
