

SHETLAND SHEEPDOG CLUB OF NORTH WALES Open Show 7th April 2018

MPD 1 Bendelow's Guxel Golden Ringer, upstanding sable/white boy in full coat of excellent colour. Teeth/bite excellent, good bone, nice oval feet, good rear angulation. Moves out well with excellent tail length, carried well. Pleasant head, excellent presentation. Lacking a little in confidence at 9mo, but with age, this will improve **BPD**. 2 Gamble's Solyric Inaugural Gold, just over 6mo sable white puppy with sweet expression, good coat for age. Standing four square, with tail correct, nice fall of croup but not quite the front extension of the winner. Ear set excellent, mouth finishing nicely, good flat planes.

PD 1 Mottram's Lanteague Gold Sovereign at Lochkaren, glamorous 10mo sable in full coat of excellent texture. A little unsteady in his presentation today, needs to stride out more. Excellent bone, oval feet. Lovely dark eye well set ears and excellent teeth. Such a volume of puppy coat, maybe as an adult his body shape will be better defined. 2 Gamble's Solyric Inaugural Gold. 3 Bendelow's Amethrickeh Booginight.

JD 1 Hardy's Sandwick Stagelight 15mo tricolour boy of excellent colour texture of coat, good bone, excellent feet, nice length of tail with a sweep which enhances his great rear angulation, potentially he should move better but he did his best on the floor surface. Wedge head, nice eye shape dark colour for a tri, good teeth, ears correct size, maybe could be a little tighter. Very good overall balance in outline, presented in pristine condition **BD, res BIS**. 2 Mottram's Lanteague Gold Sovereign at Lochkaren. 3 Barrowclough's Shadowess Eternal Dream.

MD 1 Bendelow's Guxel Golden Ringer. 2 Bostock's Jaelis Mystique Clear Skies, 19mo blue merle, nicely marked, good tan but a rather steely blue in colour, at the smaller end of the height chart, very lively movement, nice oval feet. Coming towards tends to turn the left foot out Very attentive to his handler, rather small head for a male but a sweet expression. His head was in proportion to his body but large ears spoil this balance. Needs more depth of chest, I did not find him entire on the day.

ND 1 Gamble's Solyric Inaugural Gold. 2 Bendelow's Amethrickeh Booginight, a 10mo tricolour of good colour black, excellent tan markings. Adequate bone, nice oval feet. The head was rather narrow but with correct ears, if though a little reluctant to use them, teeth good and a nice dark eye. Lovely long tail, but also rather long in body. Has the potential to move better if his confidence improves. 3 Spencer Edwards' Castlerose Northern Soul.

GD 1 Woolley's Pepperhill in the Moment at Valjon, a mature young tricolour, excellent markings colour in the coat but rather a lot of it. He has good bone, nice long tail. Excellent depth of chest length of upper arm but I would like to see more layback of shoulder, but as he is rather long cast, this affected his movement. He has a very pleasant expression, teeth were excellent. 2 Chatterley's Silver Coin, 2yo blue merle of good colour blue but markings are rather dark from the shoulders back. Excellent bone for size, very balanced in proportions and a nice outline with fall of croup. A little short in upper arm but shoulders are well laid back. Ears are of good size, balanced in head proportions, eye expression could be sweeter. Movement is very regular. 3 Spencer Edwards' Castlerose Northern Star.

PGD 1 Officer's Castlerose A Shropshire Lad, almost 3yo golden sable/white dog of good overall balance. Good bone, oval feet Pleasant head, eye expression but lacking fill under the eyes short of pigment, ears well set Well presented, nice straight front coming towards, regular movement going around, good sweep on the tail, good depth of chest, arch on the neck **Res BD**. 2 Dixon's Tachnamadra Toffee Apple, mature 3yo S/W boy, well presented Rather long cast in outline and short in upper arm, movement was regular but needing more reach Well furnished tail, feet correct and good bone. Head very sweet in eye, good pigment, colour, markings and texture of coat excellent. 3 Hardy's Sandwick Fortune Seeker.

LD 1 Saunders' Chalmoor Shades of Gold at Fernfrey, a mature sable dog in excellent coat for volume texture. Good bone, good depth of chest, nice oval feet, moves beautifully out back His head is now a little broad, eyes are dark and expressive, ear carriage was a bit low at times. When he does hold himself on the stack, he shows a lovely outline. 2 Hayes' Conorvean Tonkin, a taller sable dog nearly 5yo less bone than the winner, eyes a little full, good ear carriage, excellent colour of coat and presentation. On the day he seemed a little bunched, not showing his neck so his movement was not as fluid as the winner.

OD 1 Dixon's Tachnamadra Toffee Apple, alone in this class. **VD** 1 Saunders' Dunbrae Bond's Wish of Gold for Fernfrey, almost 8 yr, won this class on his beautiful head, lovely teeth and excellent presentation. A mature sable dog in excellent coat, plenty of bone, with a nicely balanced head and outline. Attentive ears, strength in underjaw. Moved very well, on the stack stands a little under himself. This dog excels in forechest, a good topline and correct fall of croup

BVD. 2 Rule's Edglonian Let's Rock at Bleatarn, 9yo shaded sable white boy, compact, shorter in body than 1st but a wonderful free mover. Attentive ears, nice flat planes on the head, if a little long in foreface. Good length of upper arm but shoulder could do with more angle to enhance his outline.

SP O SABLEWHITE 1 Rule's Edglonian Let's Rock at Bleatarn, as above - won on overall balance sound movement. 2 Dixon's Tachnamadra Toffee Apple. 3 Hayes' Conornean Cazier.

TRICOLOUR DOG 1 Hardy's Sandwick Stagelight, as Junior Dog - won this class on his lovely balanced outline. 2 Wooley's Pepperhill in the Moment at Valjon. **BLUE MERLE DOG** 1 Jaelis Mystique Clear Skies, 2nd from Maiden Novice.

BRED BY EXHIBITOR 1 Chatterley's Silver Coin, second from Graduate class.

NOT BRED BY EXHIBITOR 1 Officer's Castlerose a Shropshire Lad JW ShCM. 2 Rules' Edglonian Let's Rock at Bleatarn. 3 Dixon's Tachnamadra Toffee Apple.

MPB (6) 1 Hateley's Mohnesee Millybelle, a sable/white bitch of 8 moths, very forward in her development, in excellent coat of such a lovely gold colour Good strength of bone but at that stage where her legs need to grow to complete a lovely outline. Very well schooled excellent presentation. She has an attractive head with correct flat planes, eyes are dark, and ears well set attentive. Her movement is lively, straight coming going and a good topline on the going around. 2 Gamble's Solyric Original Gold, a younger golden sable puppy of good balance in height to length ratio, nice oval feet A sweet eye in a well moulded head, teeth finishing well, ears a little wide set.

PB (4) 1 Bladon's Kiemont Angel's Delight 10mo attractive shaded s/w pup in a large coat, carrying a little too much weight. Head is formed with an attractive wedge, teeth excellent, ears tend to fall a little too far forward, dark eyes but she shows a little worried look in her expression at the moment. 2 Gamble's Solyric Original Gold. 3 Barrowclough's Shadowess Eternal Spirit.

JB 1 Ritchie's Jaelis Mystique Eternity, 10mo tri bitch of excellent colour markings, especially good tan. Sound mover, excellent depth of chest, oval feet, up to size, nice long tail Shown in excellent coat Correct head, ears, eyes very dark and well placed. In character, she is rather 'fussy' a little more ringcraft might help this Won through to **Res Best Bitch** and **BPB**. 2 Bladon's Kiemont Angel's Delight.

MB (7) 1 Ritchie's Jaelis Mystique Eternity. 2 Hateley's Mohnesee Millybelle. 3 Dawson's Shellamoyed Simply Heaven, b/m of lovely shape balance.

NB (7,1) 1 Ritchie's Jaelis Mystique Eternity. 2 Hateley's Mohnesee Millybelle. 3 Bladon's Kiemont Angel's Delight.

GB (6,2) 1 Bostock's Jaelis Mystique Mistress, clear golden sable, good coat and presentation, nice oval feet, good free mover, well handled and presented Head planes to type, good teeth, well rounded muzzle nice set of ear. 2 Bladon's Shellamoyed She's the One, sable white girl, a little long cast. Upright in shoulder so doesn't extend on the move Head to type but a little broader than I prefer, ears well set, eye could be less round. 3 Barrowclough's Jaelis Mystique Topaz.

PGB (6,2) 1 Major's Mistyisle Simoncelli's Star, a tricolour of such beautiful shape outline, topline held well on the move Not the longest of upper arms but excellent drive on the move. Well moulded head, attentive ears, a little bold in eye but what a charmer. Excellent colour markings, lovely long tail, excellent presentation. Won through to **BB my BIS**. 2 Greenhill's Mohnesee Diamonds 'N Pearls, b/m of good substance, well boned and balanced in shape, well muscled, moved well on nice oval feet. Good flat head planes, dark eyes, attentive ears but a bit "merlish" in shape. Overall expression could be sweeter Good straight front. 3 Bostock's Jaelis Mystique Mistress.

LB (4,2) 1 Saunder's Chalmoor I'm a Peach at Fernfrey, sable/white in full coat. Good bone for size, good body depth of chest, well muscled especially in rear quarters, good oval feet Very well presented Head a little broad and ears a little heavy spoiling her expression Good colour of eye, excellent pigmentation of lips, nose eyes (lacking in some today). 2 Venton's Tri 'N Stop Me at Mistyisle, well presented tri girl, rather long cast, excellent freemover in profile, throwing a bit coming towards. Head a correct wedge, ears good, eye a little full and bite could be a bit tighter.

VB (4) 1 Lee's Chalynwood Chumani, a very appealing old girl nearly 10 yrs, shaded sable white in excellent coat. Lovely bone in legs, super outline, level topline and fall of croup. Sweet expression, attentive tipped ears **BVIS**. 2 Ritchie's Jaelis Mystique Gemstone, blue merle of good colour for her age, well marked, nice light on her feet if a bit down on pastern. Friendly attitude, nicely balanced head with level planes, eyes ears correct, very well presented and groomed. 3 Dawson's Mohnesee's Pandemonium.

SP OB SABLE/WHITE 1 Gamble's Balidorn Solitude at Solyric, Sable white in fresh coat, well schooled and presented, best overall in outline. Moved well on good oval feet, well angled shoulder if upper arm a little

short. Pleasant in expression, excellent teeth, ears correct, nice flat head planes and dark well-placed eye. 2 Ritchie's Jaelis Mystique Mistress, 1st Grad.

TRICOLOUR (3,1) 1 Brookwood's Mistyisle Simonelli's Star, winner PGB. 2 Lee's Ontoco Lunar Eclipse at Chalywood, tri girl a little shy in full coat and a nice long tail. Correct wedge head, 1st out moved her.

BLUE MERLE (3,1) 1 Dawson's Shellamoyed Simply Heaven, Very athletic in shape light on her feet, good forward reach on the move holding her topline. Good fall of croup long flowing tail, nice depth of chest. Her blue merle colour is well marbled, ears set high but could be smaller, nice in head, eyes expressive and good mouth. At almost 2yo I expect she will body up more to finish. 2 Greenhill's Mohnesee Diamonds 'n Pearls JW, see PGB.

SP OB - NOT BRED BY EXHIBITOR 1 Gamble's Balidorn Solitude at Solyric JW, see S/W Open. 2 Venton's Tri 'n Stop Me at Mistyisle, see Limit.
