Bitch Judge Mrs .Diane Moore (Shetlo)

BIS Dog Ch. Lianbray Lothario.J.W.  
BOS Bitch Rainway Returning to Seavall J.W.

I am writing this report in the middle of this terrifying and horrendous pandemic that has our world in its grips. For most of us our dogs and dog shows are our way of life. With the ongoing help of all the people keeping our country running and of course our wonderful NHS please God we will all come out of this safe and well and able to continue with the life we love. We were so lucky to be able to get to this well run and happy show. I thank the committee for inviting me to judge. This club offers the most beautiful rosettes and large diplomas/certificates.. Thanks must also go to my two very able and happy stewards John and Jan, my ring seemed to run like clockwork calmly and efficiently. . Also thank you to exhibitors for a really lovely entry, I could have given out at least half a dozen CCs., such was the quality of the bitches. Apart from one or two who could have done with a bath, most were clean and well groomed, I congratulate the exhibitors considering the dreadful heavy rain on arriving at this super venue. I am slightly concerned with the amount of coat some of the sables have. The coat should fit the dog, quite a few had too much under coat which made the top coat stand up. This hid the good body shape that most of these girls had. Not only is this incorrect but it will not be waterproof as the rain will go straight in to undercoat. It will be like a wet sponge next to the body. Apart from one or two with flat feet some have rather large feet, some feet trimming could have been better but not everyone is a dab hand with the scissors. It is always a pleasure awarding CCs, especially a 1st or 3rd. Such was my delight in giving the lovely graceful veteran her 3rd. Well done. I was happy for the beautiful dog to go BIS as I had previously awarded him his 1st CC. .He is now fully mature and looks a treat.
