## **BITCHES – MP**

(8,1a) 1 Eaves' Kyleburn Forever A Dream, well schooled & presented tri. Her colour enhanced by rich tan markings. She has an elegance about her even at this young age. Lean headed with dark almond eyes & small ears set correctly. Well rounded in foreface with a good bite. She is very well put together & has enough bone & nice tight feet. Movement spot on; 2 Lambert's Blenmerrow Night Music, I could say the same applies here only she had more coat which was enhanced with white. Not quite as sweet in expression. Lean headed with small neat ears. Elegant in profile & movement good. Both of these puppies good for size; 3 Stafford's Rannerdale Queen O'The North. All in all a very nice class. **P** (12,3) 1 Hassell's Oakcroft Enchanted Star of Charnico, very well coated & glamorous richly coloured s/w who had every hair in place. Lean headed with rounded foreface & well defined chin & good bite. Her dark correctly shaped & set eye & small ears gave a very sweet expression. Elegant neck enhanced by big white collar into well laid shoulders. Good firm topline & slope over croup with good tailset & carriage. She stands on well boned legs & tight feet. Ribs deep & of good length. Movement spot on with plenty of drive from the rear. **BPB**; 2 Jackson's Rowancrest Moonlight Dream, very sweet headed tri in good coat. She has dark expressive eye shape & placement. Good for stop & small ears. She has good length to neck & good shoulders. Firm in topline & good tail carriage. She has enough bone & straight legs with tight feet. She moved well with good drive from the rear & was also well presented. As above good for size; 3 K Forever A Dream. **J** (9,2) 1 Pierce's Philhope Just So, I wish she had been! Absolutely lovely g/s/w in full coat of correct texture which lacked presentation. In my opinion one to watch. Lean headed with super expression & flat headed with small expressive ears & carriage. Very good front with deep ribs well rounded. She is firm in topline with well set & carried tail. Movement spot on with plenty of drive from the rear; 2 Gambles' Balidorn Solitude at Solyric, glamorous & elegantly put together s/w. A bit out of coat but was well presented to make the most of her. She is lean headed with sweet dark eye & small neat ears. Good shoulders into firm topline & well set & carried tail. She has enough bone for her size & moved well with drive from the rear; 3 Bray's Lianbray Lorelei. Three very nice bitches with correct bites & of good size. **Y** (8,3) 1 Lambert's Blenmerrow Whoops A Daisy, sweet & lean headed s/s/w who is so well balanced all through. Her dark almond eyes are set correctly with good stop, well rounded foreface, flat cheeks & small neat ears. Really nice profile with good length to neck into well laid shoulders & firm topline. Well rounded deep rib carriage, straight legs with good length to upper arm & good feet. Well bent stifles gave her good drive which showed in her movement. In good coat which was well presented; 2 Parkes' Milesend Sweet Whispers at Eljetia, lean headed with dark expressive & well set eyes. Handled very well to encourage the best so moved well enough to capture this spot; 3 Greaves' Clanavon Summer Blossom. **N** (4,1) 1 Stafford's Rannerdale Queen O'The North, very glamorous & richly coloured s/w who I felt was heavier all through than those above. Nonetheless she does have a sweet eye & expression with flat skull & neat ears well set. She also has a good bite. Really nice in profile & she moved well enough; 2 Arnould's Shadowway Rosa Esmeralda, more workmanlike than winner & fuller in eye but head well balanced & her angulation is good. She moved out well on good legs & feet with drive from the rear. Her s/s coat was well presented; 3 Thomas' Jolex Guilded Lily. **G** (8,2) 1 Stockden's Willowgarth Gentle Breeze,

really well presented g/s/w who has a lean head & exquisite expression. Not the length to neck as those above & shoulders could be better but her topline is firm & she has a slight slope to her croup, with correct tailset & carriage. She has straight well rounded & boned front with neat feet. I would have preferred more angulation to upper arm. Good bend of stifles which gave her drive from the rear. Her coat is of correct texture & was so well presented; 2 Rossiter's Lorainian Starlight Wonder, nice elegant shape with enough bone & in good coat but not the expression of winner. Lean wedge of a head with good stop & bite. Neat ears. She has enough bone for size & she moved well enough on good legs & neat feet; 3 Harries' Mistmere Wind Belle.
