

## THREE COUNTIES CHAMPIONSHIP SHOW 8<sup>TH</sup> JUNE 2023

My thanks to the officers and committee of this well organised show and the extra care and consideration shown to me as it was not long after my major surgery. My thanks also go to my very capable and organised stewards, Preston and Faith, as it was a very long day in blazing hot sunshine, and we had the highest entry of the day. They kept everything running efficiently and smoothly so we finished in good time. I was pleased with the quality and presentation of all the dogs entered, this made some final selections difficult and in some classes some excellent dogs went unrewarded. All the dogs had a high standard of cleanliness, though a few could have done with a little more attention to teeth. My thanks to all the exhibitors for their entries.
