

W/P BREEDS A OF SCOT CH SHOW, 05/11/16 - Shetland Sheepdogs

Shetland Sheepdogs

Enjoyed my day judging & thank you for entering. Overall I found movement somewhat erratic with lack of chest depth contributing to less than perfect front movement.

MPD (1) 1 Blythe & Fotheringham's Shenachie Inkspot, aptly named b/m with one black patch in his otherwise beautiful coloured, textured profuse coat. Lovely long neck, full white collar, attractive head, well filled foreface, good eye shape but would just prefer a tighter earset. Attractive outline, rounded bone, straight front, nicely constructed. **BPD**. **PD** (1) 1 Drysdale's Donallin Shadow Magic, 10 months old rich coloured sable with full white collar & in excellent coat for one so young. Very dark sweet eye in nice head which just needs to fill in foreface. Excellent bone, nice neck & moved well. **JD** (3,1a) 1 Jackson's Shellamoyed The Kingsman, 16 months sable, out of coat which showed of his lovely shape, good reach of neck supported an attractive head, eye & expression, moved OK; 2 Hepburn's Shellamoyed Simply The Best, heavy coated sable who appears longer in back than actually is with good sweep over the loin. Sweet head, eye & expression, rounded bone just needs to drop in chest. **YD** (3) 1 Walker's Marsula Shogun, not yet 2 years old, this tri was in gleaming coat & condition, attractive head, eye, good upper arm, well bent stifle, short hocks, good bone, retained flowing outline while moving with drive to take. **RCC**; 2 Dixon's Tachnamadra Toffee Apple, sable with full white collar, nice head but would prefer less stop, kind expression, neat well used ears, nicely constructed; 3 Wilson's Blazecroft Bolt From The Blu to Dasgeda. **PGD** (6,1) 1 Goodwin's Sandwick Turn Back Time, 2½ years old plain tri who appeals for his excellent shape & overall construction. Attractive head, dark eye, well used ears, would prefer slightly long neck & a shade bigger. Moved with ease & drive to win this class; 2 Saunders' Chalmoor Shades Of Gold at Ferfrey, 3½ years old sable with glamour markings, well coated, lovely bone, nicely constructed, attractive head, sweet dark eye, low ear set; 3 Edgar's Ellenyorn Echo Beach. **LD** (9) 1 Tinker's Hillhenry Winter Storm over Riggsbeck, b/m in lovely well broken coloured profuse coat. Clean head, sweet eye & expression, well used ears. Sound overall construction & positive movement; 2 Winfield's Oakcroft Prince Charming, attractive sable who left his coat at home, attractive head, kind expressive eye, well used ears, Rounded bone, level topline, nice sweep over loin, just preferred the front angulation of 1; 3 Daniels & Taylor's Pepperhill In The Zone. **OD** (7) 1 Goodwin's Ch Highbrook Hot Heir, 5 years old rather plain but soundly constructed sable. Clean head type, dark eye, good neck, bone, level topline, well turned stifle, straight front & excellent movement. **CC**; 2 Walker's Dippersmoor Star Gazer at Tooralie, 5 years old shaded/s with little to hide without his coat. Nicely constructed fore & aft with lovely head supported on long neck, sweet eye & expression, good underjaw, bone & moved well; 3 Jackson's Ir Ch Fearnach Blue Rhapsody at Cluainultaigh.

MPB (2) 1 Walker's Tooralie's Matilda, very promising 7 months tri with appealing overall shape, sound construction, rounded bone, straight front, attractive head, dark eye & sweet expression, neat well used ears, won on movement over 2 who simply wouldn't cooperate with owner on the move. **BPB** & **BP**; 2 Forbes' Degallo Pitch Perfect, another very promising baby but a sable of longer caste than 1 who has many of the same attributes as 1 & a better length of neck. Both should have exciting show careers which I shall watch with interest. **JB**

(5,1) 1 Nixon's Japaro Touch The Stars, g/s with attractive head type, well used ears, good reach of neck, rounded bone, nicely constructed & moved well; 2 Gatheral's Herds Hopefully, sable who appeals for her outline, long neck, nice head which needs to fill in foreface, sweet expressive eye & general sound construction; 3 Purves' Donallin Ultimate Magic. **YB** (4,1) 1 Elder's Ellenyorn Echo Falls, rich coloured sable with lovely head, dark almond eye, tight lips & well used ears. Excellent bone, straight front, level topline & positive movement; 2 Saunders' Chalmoor I'm Peach at Fernfrey, shaded/s with a lot to like about her, not quite head & expression of 1 but soundly made & moved with drive; 3 Clegram & Berry's Smiddyshae I'll B there For U. **PGB** (8) 1 Rowan's Rowancrest Blue Champaigne at Shellamoyed, beautifully well broken coloured b/m with full glamour markings. Clean head, matching expressive sweet eyes, long arched neck, rounded bone, level topline, nice sweep over loin, moved with drive; 2 Winfield's Oakcroft Going For Gold, 4 years old rich coloured sable with little coat to hide her lovely shape, round bone, straight front & so very sound on the move; 3 Latimer's Sonymer Winter Solstice. **LB** (7,2) 1 Gatheral's Herds Hallucination, 6 years old tri who excels in construction & muscletone, lovely mover with attractive shorter head type, kind eye, well balanced throughout; 2 Jackson's Blue Moonlight Shadow, b/m of good colour with good head & expression, ears could be tighter set, good length of neck, bone & nicely constructed; 3 Daniels & Taylor's Pepperhill Kicks 'N Flicks. **OB** (9) 1 Elder's Ellenyorn Endless Love, 5½ years old shaded/s with no glamour markings, just short white socks to front legs but what a stunning bitch. Darkest almond shaped eye producing a dreamy expression in a beautiful head which handles well, supported on long arched neck, straight topline, well constructed front & rear which showed in her smooth effortless movement. CC; 2 Latimer's Sonymer Summers Dream, 4½ years old sable glamour girl in full bloom, lovely overall shape, outline & construction. Attractive head, sweet expression, well used ears. RCC; 3 Winfield's Oakcroft Going For Gold.
